

# NEWS SUMMER INTENSIVE VIRTUAL ACADEMY

July 14<sup>th</sup> – July 30<sup>th</sup>

## “BOOK” CAMP

**July 14<sup>th</sup> thru July 23<sup>rd</sup>**

“Reading is Leading.” Let’s take some time during the Pandemic to curl up with a good book. Students will read and discuss themes and ideas with their peers in a hands on, engaging, virtual learning environment.

## SAT PREP

**July 14<sup>th</sup> thru July 30<sup>th</sup>**

Increase your score on the SAT. Students will learn how to tackle the Reading and Math Sections of the SAT while reviewing the most needed essential skills.

## “FISCAL”LY FIT & FABULOUS

**July 21<sup>st</sup> thru July 30<sup>th</sup>**

Who wants to be a millionaire? Students will learn about the ends and outs of MONEY. Students will acquire skills to plan a budget, understand credit, homebuying and stock markets.

## “RAIDER” IN ME

**July 27<sup>th</sup> thru July 30<sup>th</sup>**

This summer bridge class is designed to give rising ninth graders a heads up on high school. Students will review essential prerequisite skills in math and ELA that lead to SUCCESS. Students will also develop leadership skills that support them in becoming college or career ready.

## CODING CHRONICLES

**July 14<sup>th</sup> thru July 23<sup>rd</sup>**

“Computers are going to be a big part of our future...and that future is yours to shape,” Barack Obama. In this class students will get access to various coding programs including an Introduction to Java, Python, and mobile app development.

**WE ARE RAIDERS. WE ARE “aggressively seeking opportunities to become college or career ready.”**
